News Letter

Introduction:

**“Education breeds Confidence.
Confidence breeds Hope. Hope breeds
Peace”**

We the inmates of SJGS strive hard to bring a desirable change among the children of our locality specially our students in school. Focusing on the same we pave way for overall development of every individual who come in contact with us. Preparing the children to face the future with its ever-changing scenario is not an easy task. But we take pride in preparing the wards to face any challenges that lie ahead of their growth. The activity-based teaching and learning process help the students to understand the concepts in a thorough manner. We collaborate with all our stakeholders keeping in mind the vision of our Founder, inculcating the cult of DMI, while following the directives of DFI.

Campus Superior

A Message from Campus Superior - Nurturing Excellence Together Dear St. Joseph Global School (CBSE) Community,

I Hope This Message Finds You in Good Health and High Spirits. As We Embark on Another Exciting School Year, I Wanted to Take a Moment to Extend My Warmest Greetings to Each and Every One of You.

It Is with Great Pleasure and Enthusiasm that I Serve as An Administrator Here at St. Joseph Global School (CBSE). Our School Has Always Been More Than Just a Place of Learning; It's A Vibrant Community Where Ideas Flourish, Talents Are Nurtured, And Dreams Take Flight. Over The Years, I've Had the Privilege of Witnessing Countless Moments of Achievement, Resilience, And Creativity Within Our School Walls.

As A Woman in A Leadership Role, I'm Inspired by The Incredible Students, Dedicated Educators, And Supportive Parents Who Make Up Our St. Joseph Global School (CBSE) Family. Together, we form a Diverse and Dynamic Community, And I Firmly Believe That Our Unity Is Our Greatest Strength.

This School Year, Our Focus Remains Unwavering – To Provide an Exceptional Educational Experience That Empowers Our Students to Excel Academically, Grow Socially and Emotionally, And Become Responsible Citizens of The World. We Are Committed to Fostering an Inclusive and Nurturing Environment Where Every Child Can Thrive.

I Encourage Our Students to Embrace Every Opportunity that Comes their Way, to Challenge Themselves, and to Never Stop Asking Questions. to Our Teachers and Staff, Your Dedication and Passion are the Cornerstones of Our Success, and I Am Grateful for Your Tireless Efforts. Parents And Guardians, Your Support and Involvement Are Invaluable. We Look Forward to Working Collaboratively with You to Ensure the Best Possible Educational Journey for Your Children.

Let us Embark on This Academic Year with Optimism and Determination. together, we will Continue to Create an Environment Where Excellence is not just a Goal but a Way of Life.

I Am Excited About the Adventures that Lie ahead and Eager to Witness the Growth and Achievements of Our Remarkable Students.

Here's to a Year Filled with Discovery, Growth, And Countless Success Stories. Let's make it One for The Books!

Warm Regards,

Rev. Sr. Selva Mary,

Campus Superior,

St. Joseph Global School (CBSE), 36-Eraiyur.

Principal

Education is the all-round development of a child — body, mind & soul. Education teaches how to think, not what to think. Once a pupil's mind gets enlightened, it can't move back to darkness. Confucius said: "It does not matter how slowly you go as long as you do not stop." A child can pick up his own pace: walking steadily towards the light of education, led by the teachers. As the leader of the team, I mentor my teachers to build bridges with their students, to help them cultivate minds, & to transmit civilization and disseminate culture.

The principal of a school strives to transform academic vision to reality, empowers the teachers to become change agents, & introduces & nourishes passion into his team. The people with strong purpose in life, don't need to be pushed. Their passions will drive them to their goals. The job of a School Principal isn't merely a job. It's an opportunity to share & harness courage, shape futures, empower new leaders to transform the world, & foster creativity & imagination in the minds & hearts of the students & teachers. As Martin Luther King Jr. said once: "The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education." As the School Principal, I endeavour to turn my teachers & pupils into humans with empathy, intelligence & strong moral fabric.

The great American poet Maya Angelou said: "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." To make my teachers feel empowered is my prime purpose. To make my students feel enlightened is my supreme responsibility. To help my organization soar to the heights of academic excellence is my ultimate goal.

Drivers & Aunties Meeting minutes:

On 07.03.2025 Our school management organized a non-teaching staff meeting regarding safety day. Principal sir addressed the staffs and give some instructions about safety....

- Give employees an awareness to bring up safety concerns.
- Identify and correct hazards before they cause an injury.
- Involve management and employees in making safety part of your school culture.
- Educate employees about risks.
- Boost morale when employees feel heard and see their concerns addressed.

Morning assembly:

- Morning is the perfect time to revive the learning, take in inspiration and begin your day with positivity. As the students walk into the school campus the first activity that kick starts the day are the Special Morning Assembly. In the serene hours of the morning, the students are made to assemble on the Ground or Corridor and pray to the Lord for their guidance and wisdom. The prayer is followed by Holy scriptures Reading, News, important notices, speech, Prayer songs and National Anthem. The assembly is addressed by the Principal and the Head Teachers. All of the activities conducted in the Special morning Assemblies contribute to increasing the energy of the students preparing them for the day with enthusiasm and making them stay connected to the moral values.

Staff Prayer:

- Morning staff prayer is conducted regularly.

Interschool Coding Competition

- Our Students Participated in the **Inter School Coding Competition** conducted **Sprout Team** in our School campus, dated 08th March 2025, and Our Students won **Prizes** for their performance were encouraged and honoured.

Olympiad Exams

Olympiad exams help to create competitive awareness among students at school, national and global level. These exams aim to improve problem-solving ability and analytical thinking skills of students. As a student prepares and competes in such competitive exams, they build a positive academic foundation. They gradually strengthen the student's analytical reasoning, logical thinking, IQ, and other skills. Our young SJGSens participated in the different Olympiads and won gold, silver and bronze medals in the various subject categories. They were awarded a medal as well as a certificate for their achievements.

MARCH

HAPPY
Womens Day

- 8th March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honor, loved and admired. To honor womanhood, We SJGS has celebrated the International Women's Day on Friday, 8th March, 2025 in our campus.

Kindergarten Graduation

On 14.03.2025 Kindergarten Graduation ceremony was organized by the management. The Programme commenced with the ceremonial lamp lighting by the Respected Campus superior, Rev. Sr. Selva Mary and our Principal, Mr. Anand Vimal Raj and Guests (Mr. Pusparaj. M (VAO). & Mrs. Deepa (Mathematics Tutor). Our tiny tots looked attractive in their graduation robes and caps. Children performed dance on peppy numbers expressing their joy on graduating to the Primary section. Their performance mesmerized everyone. The glimpses of their journey in kindergarten stole our hearts away. The Programme ended with the National Anthem.

Congratulations!

The Scientia Club organized the Science Exhibition for classes I to X on 06.03.2025. The exhibition witnessed great enthusiasm and blooming participation from children, who had the unique opportunity of exploring as well as expressing their creative scientific ideas in the form of activities, models and projects. The event gave a diverse hands-on experience to children, wherein they could translate the theoretical scientific principles into the mode of application in the form of observable phenomena. This event led the children from the realms of theory into the arena of practicum. The students displayed their creative scientific potential in diverse arenas revolving around the themes of contemporary significance, namely, Agriculture and food security, Sources of energy and their conservation, Transport and communication, Disaster Management, Health, Robotics and engineering sciences. Students were at their innovative best as they designed their own automobile, hover craft, motorboats, metal detectors, echo rangers, rural air conditioners, earthquake impact detectors to unique designs for tapping alternative sources of energy and new ways to conserve the conventional ones. The event in itself ignited the scientific curiosity in children and gave them a platform to give concrete dimensions to their ideas, from the zone of imagination to realism.

House Visit

Our teachers visit parents' home to establish positive contact and communication with families, and to promote proactive interactions through which provide authentic support while recognizing families' strengths.

Examination

• Term-II Examination started on 14.03.2025 from KG to Grade IX and Exam ended on 27.03.2025.

• PA-II Exams are going on for Grade X students.

Co- Curricular Activities

• Coding assessment was done for grade -I students and computer classes are going on regularly.

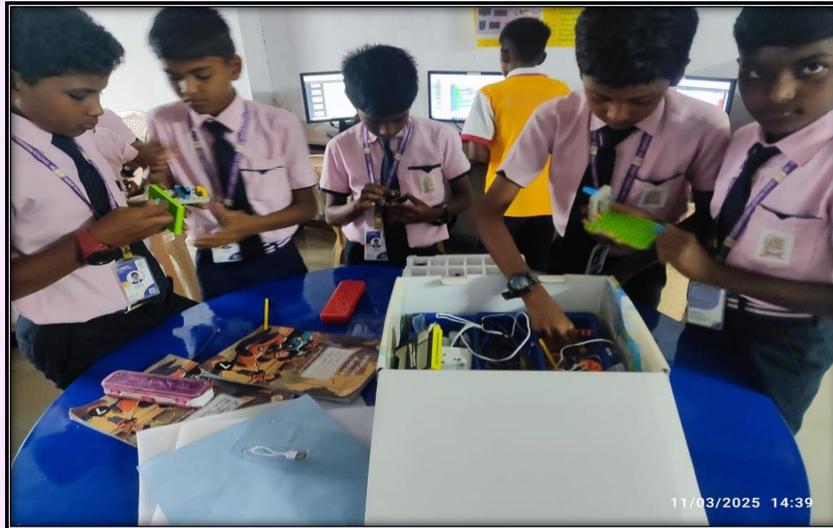

• Remedial classes for English and Tamil on zero period by Tamil and English teachers.

Robotics Class

- Robotics Lab Classes are going on for this academic year form grade VI to IX.

21st Century Lab

21st century lab is established and we have working models, demo & circuit diagrams for things such as electrical, electronics & mechanical in our lab.

ECA Classes

- ECA classes are started for this academic year 2024-2025 (Classes such as Karate, Silambam, Dance, Skating & Archery etc.)

Karate

Karate is a popular martial art that offers children an opportunity to learn valuable self-defence skills, develop discipline, boost self-confidence, and stay physically active. A successful kids' karate class should be engaging, fun, and educational.

Silambam

Silambam is a weapon based Indian martial art. Silambam is offered as an extra-curricular activity to children of all age groups. Learning Silambam increases self-confidence and concentration. Our children have participated in state level tournaments.

Dance

Dance is a great way of ensuring this because it has a relaxing effect on the mind while ensuring a healthy workout for the body. When both mental fitness and physical exercise come together there can be lots of fun, so parents can encourage their children to take an active interest in such activities.

Skating

Skating for kids can be a fun and rewarding activity for kids of all ages! It builds strength, balance, and coordination while also providing a great source of exercise. Skating is a great way to spend time with friends or family, and it's a sport that can be enjoyed year-round. There are many benefits to skating for kids. Skating can help improve a child's balance and coordination. It is also a great source of exercise, burning calories and improving cardiovascular health. Skating can also help build muscle strength and flexibility.

Archery

Archery in the Schools is an alternative to traditional physical education that can be enjoyed by both boys and girls, regardless of athletic ability. It strengthens the core muscles and improves their balance and stability. The good thing about balance and stability is that it will eventually improve the child's posture, eye-hand coordination, and they will have more chances to hit the target.

Maintenance Work

- Campus, Class rooms & Vehicle cleaning done regularly.
